Hettich

Benefits at a glance

Storage space organised the smart way

Whether tall units, base units or corner units – Hettich's well-considered, high-quality fittings systems can optimise storage spaces behind the furniture front and provide them with innovative functions. This means more convenience for all kitchen users: the cabinet interior quickly shows where everything's kept and provides convenient, ergonomic access to cabinet contents. Even small alcoves, narrow cabinets and hard-to-reach corners can be used more efficiently with solutions from Hettich.

Optimise access:
The Iseo tall unit pull out provides optimum organisation and ergonomic access, even to the back of the cabinet.

Enjoy comfort:
For luxuriously quiet and gentle closing, all drawer runners are equipped with Silent System soft-closing.

Choose any design.
Cabinet interiors from Hettich provide numerous design and configurational options.
